

Essential Oils

Jasmine Oil 5% Dilution 10ml

Sweet, Floral, Warming, Sensual
& Romantic

Directions

For a relaxing fragrance, drop 4 to 5 drops of essential oil in a burner for approx 20 minutes. Blend 4-5 of essential oil in 10ml of carrier oil, 2-3 drops for the elderly/children. Add up to 5 drops of oil into the bath. Blend with a carrier oil or moisturiser to promote dispersion.

Product Information

Never ingest, unless under the supervision of a qualified health care professional. We recommend that you discuss dosage and dilution with a qualified healthcare professional before starting therapy with this oil. Do not use undiluted on the skin. Due to the side effects of Jasmine Oil on menstrual function women who are pregnant, expecting to be pregnant or lactating should avoid the use of Jasmine oil. It is not recommended that Jasmine oil is used by infants or children. We recommend that you dilute a small amount of the oil and apply to the skin on your inner arm. Do not use if redness or irritation occurs.
